

FALSE ALARM BITTER

BEER/BIÈRE 650ML

4.8% ABV - IBU 35

SOME MISHAPS ARE BITTERSWEET! RESPONDING TO A RECENT CALL FOR MORE BEER, OUR BEER DEPARTMENT MADE AN ACCIDENTAL RECIPE MIX-UP. BUT, AFTER AN EMERGENCY ASSESSMENT, WE CAN REPORT THAT THE ERROR RESULTED IN A DELICIOUS PALE ALE. THE BRITISH TERM FOR PALE ALE IS "BITTER", WHICH WE FIND MORE FITTING FOR A FALSE ALARM. ALWAYS PREPARED WITH A SAFE MALT FOUNDATION, JUST IN CASE YOU WISH TO TAKE A RISK AND BRAVE THE "BITTER". IF YOU FOLLOW THE DRILL, YOU CAN RELY ON A DEPENDABLE ROUTINE OF HOP SUBTLETIES: CITRUS, FLORAL, FRUIT, EVERGREEN, AND EARTHY.

EXTINGUISH YOUR THIRST!
